Welcome to Oliver's.. the home of traditional Fish and Chips

At Oliver's we pride ourselves in providing traditional Fish and Chips with our unique batter recipe which will keep you coming back for more.

Our intimate (ie small) restaurant has been uniquely designed to create a fun environment to enjoy our fish and chips as well as our fresh fish daily specials.

All our fish is fried in vegetable oil with the latest frying technology ensuring that we give you the healthiest fish and chips around . We only use white fish , Salmon and Tuna and do not have any meat products on our premises.

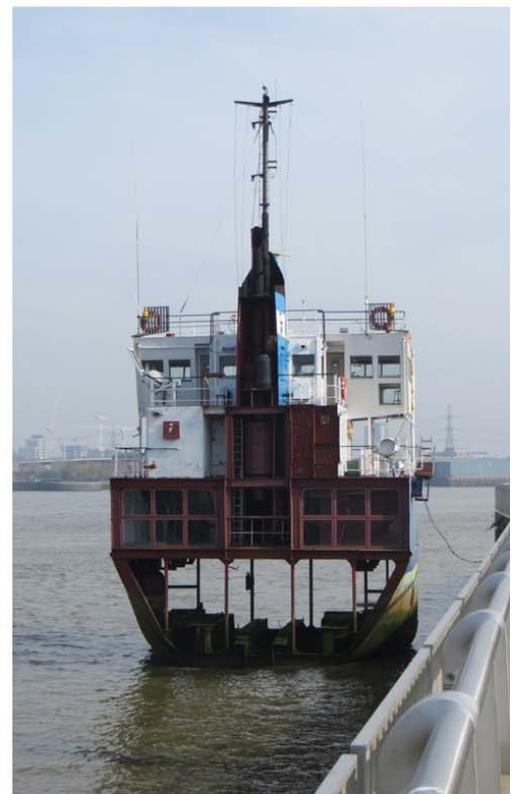

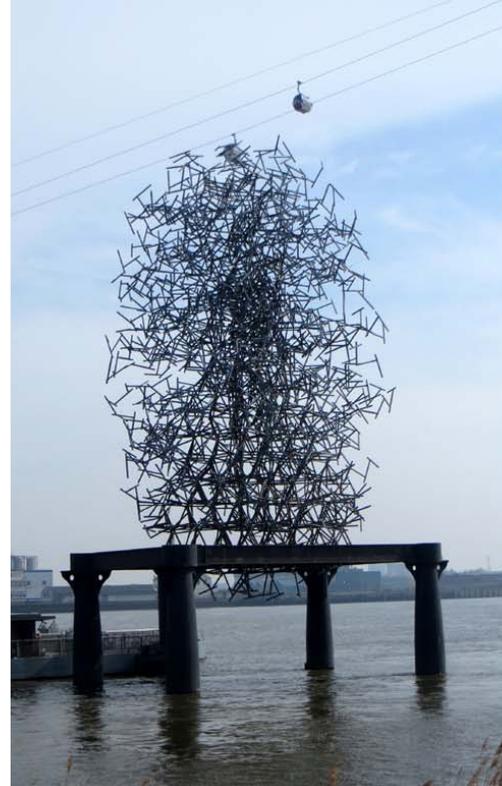

We look forward to serving you the best Fish and Chips in North West London.
